Aberystwyth University Dissertation Research

Dear Parent/Carer of a child in Reception and Year 1/ 2

I am writing to let you know that School, along with the children in Reception and Year 1/2 would like to take part in a research project about How Stereotypical Gender types influence Role and Imaginative Play for both boys and girls.

Your child will have an information sheet accompanying this letter that explains in more detail the aims of the project. I would ask that you take time to read the information sheet and decide whether or not you would like your child to take part.

If you decide that you would be happy for your child to take part, then you will need to complete the consent form on the reverse of the information sheet and return it by **Monday 23rd January**.

As always thank you for your continued support.

Ms J Clarke
