Areas of success:

The implementation of RWInc phonics has improved the quality of delivery and ensured children are getting a quality start with early reading and writing skills.

Breakfast club continues to impact positively on attendance of targeted individuals

Educational Visits and Forest School have been accessed by all pupils, and children have a wider base of experience to base their learning on.

Future targets:

- Increase number of PP eligible pupils achieving ARE in reading, writing and maths
- Ensure Y6 PPG achieve in line with national
- Improve attendance for PP eligible pupils, to be in line with others
