

Can you plan a journey through the UK using a map?

What will you learn?

- Use an index to find a place name.
- Find the correct page in an atlas by using the index.
- Explain why maps have symbols on them.
- Recognise some map symbols on an Ordnance Survey map.
- Give co-ordinates by going across first and then up.
- Find a location from four-figure coordinates.
- Find differences between photographs of the same location.
- Find similarities between photographs of the same location.
- Find differences between maps of the same location.

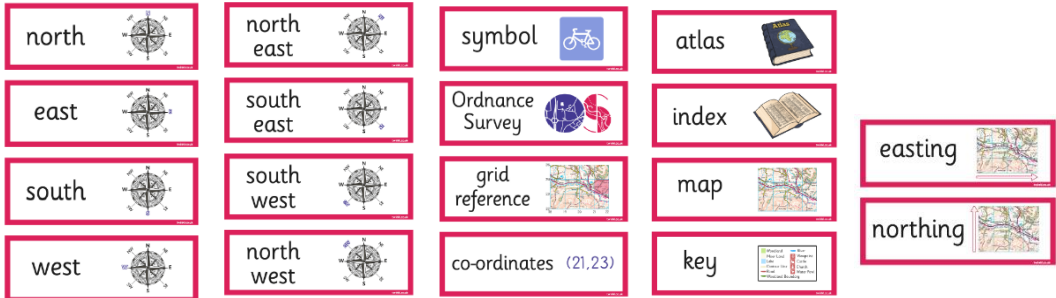

Sticky knowledge

How do you use an atlas?
 What do the key symbols on an Ordnance Survey map mean?
 What are the eight different points on a compass?
 Can you read different 4 and 6 figure references?
 Can you use the eight points on a compass, 4 or 6 figure grid references and symbols to plan a journey in the UK?

Prior learning

Children can already:

- Use world maps, atlases and globes to identify the United Kingdom and its countries, as well as the countries, continents and oceans studied at this key stage
- Use simple compass directions (North, South, East and West) and locational and directional language [for example, near and far; left and right], to describe the location of features and routes on a map
